Subject: MUR 5560
Re: KFC Engineering Management, Inc.

Dear Mr. Jordan;

We acknowledge your letter dated October 19, 2004 and received in our office on October 25, 2004. Your letter asserts that on the strength of a complaint from Mr. Paul Dunlap, your office is tasked with determining whether a violation of the Federal Election laws is implicated. We write to assert that it is not.

With respect to Violation 1, the complainant evidently relied erroneously, on a newspaper article for his complaint. The complainant incorrectly asserts that KFC Engineering Management, Inc. was fined \$150,000. It was not.

Further, but more importantly, the contribution that the complainant questions was to the unsuccessful Hawaii State gubernatorial campaign in the year 2002 by now current United States Congressman Ed Case. It was not to his U.S. Congressional campaign that followed it. Accordingly, further inquiry or action by the Federal Election Commission is neither warranted or appropriate.

Respectfully,

KFC ENGINEERING MANAGEMENT, INC.
